

Pleated Ivory Linings

Can't buy them? Hire them!

For your special events do you need Ivory Pleated Linings, Ivory Flat Linings, coloured swags, window drapes, roof overlays or wall overlays? Maybe even Starlight or Blackout Linings.

If you don't want to buy linings, Custom Covers will hire them to you.

Flat Linings

Finishing Touches

Coloured accessories are a great addition to complement your function. We hold a large stock of swags, window drapes, roof, and wall overlays to hire. These are available in a selection of 35 colours. Please call our sales team for a colour swatch or visit www.customcovers.co.uk/colour

For ease of fitting each swag is 3m in length, all window drapes and wall overlays are manufactured to fit 2.3m leg height.

Ivory and White Linings

Pleated – We have a selection of pleated linings to fit most structures up to 15m span. Hip ends, roofs and gables on a 3m bay size are available to fit 9m, 12m and 15m structures. Walls are 3m bay size by 2.3m leg height.

Flat – We also have a range of flat linings available to fit 9m and 12m on a 3m bay and 12m, 15m and 20m on a 5m bay.

Please call our sales team for a price list or visit www.customcovers.co.uk/hire_price

Blackout and Starlight Linings

Blackout Linings

Roofs, gables and walls are available in 3m & 5m bay widths to fit most structures.

Roofs

3m bay width roofs are available to fit 6m, 9m, 12m & 15m structures

5m bay width roofs are available to 15m, 20m, 25m & 30m structures

Walls

All our walls are multi height for versatility, the 3m wide walls will fit a leg from 2.3m up to 3m in height. The 5m wide walls will fit a leg from 2.4m up to 3m in height.

Gables

Gables are available to fit structures with both 18 and 20 degree pitches.

20 degree pitch gables are to fit 3m bay width structures from 6m, 9m, 12m up to 15m spans.

18 degree pitch gables are to fit 5m bay width structures from 15m, 20m, 25m, up to 30m spans.

Blackout Starlight

Starlight Linings

We have some enormous stock of black LED starlight roofs, these are available in two bay widths, 3m and 5m.

3m widths are designed to fit 6m, 9m, 12m and 15m span structures. 5m widths are better suited to fit 12m, 15m, 20m, 25m and 30m spans.

LED Starlight's are very versatile and durable making them immensely popular with our clients. These robust starlight's come with a 2 channel system, allowing flexibility to twinkle or sequence to meet your client's expectations.

In addition to our all white bulb roofs, we have a quantity of blue/white bulb roofs to fit 9m and 12m structures on a 3m bay.

After each hire all starlight's are cleaned, checked and returned to stock in perfect working condition. A full fitting and removal service is available at an additional charge, please contact our sales team for further details.
